PROFILE

Passionate about leveraging technology to solve complex problems, I am a Software Developer with a Bachelor's Degree in Information Technologies, specializing in Development of Information Systems from the Higher Institute of Technological Studies of Radès (ISET Radès). I am currently pursuing a Master's Degree in Computer Science at the National School of Computer Sciences (ENSI), while continuously expanding my skills through self-learning, practical projects, and hands-on experience. I am eager to apply my knowledge to real-world challenges and grow in the field of software development.
